SUMMARY

Dynamic technology enthusiast with foundational knowledge in cybersecurity. Demonstrated passion for safeguarding digital assets, leading to proactive measures that preempt potential vulnerabilities. Seeking to launch a career in technology by leveraging critical thinking and cybersecurity skills to support robust digital infrastructure.

EDUCATION

Bachelor of Computer Applications Specialization in Cyber Security And Cloud Computing

IIMT UNIVERSITY • MEERUT, UTTAR PRADESH • 2025

Schooling

DC Model International School • Punjab • 2022

CERTIFICATIONS

CEH(Certified Ethical Hacker)

E&ICT Academy, IIT Kanpur • 2024

CHFI(Computer Hacking Forensic Investigator)

E&ICT Academy, IIT Kanpur • 2024

ETHICAL HACKING

NPTEL • 2023

AZURE FUNDAMENTALS (AZ-900)

MICROSOFT • 2023

RHCSA (Red Hat Certified System Administrator)

E & ICT Academy, IIT Kanpur • 2023

Advance cloud computing (Azure)

E&ICT Academy, Kanpur • 2023

Introduction to Cloud(AWS)

E & ICT Academy, IIT Kanpur • 2022

SKILLS

Programming Languages:

- Python
- Java
- HTML
- CSS
- JAVASCRIPT
- C
- SQL

Operating Systems:

- Windows
- Kali Linux
- Red Hat

Soft skills

- Communication
- Problem-Solving
- Creativity
- Time Management
- Collaboration and Teamwork
- Problem Solving and Troubleshooting
- Adaptability and Flexibility
- Continuous Learning and Improvement

HARD SKILLS

- Linux Commands
- Basic Networking (CCNA)
- Penetration Testing
- Cyber Tools
- Forensic Tools
- Cloud computing platform (AWS, Azure)
- AWS And AZURE(CloudWatch, Monitor, CloudFront ,IAM)
